**Empowering Males to Build Opportunities for Developing Independence**  
**2019-2020 PROGRAM APPLICATION**

**T**hank you for your interest in the EMBODI (Empowering Males to Build Opportunities for Developing Independence) Program with the Ahoskie Alumnae Chapter of Delta Sigma Theta Sorority, Inc. The program is designed to refocus the efforts of the Sorority, with the support and action of other major organizations, on the plight of African-American males.

Both informal and empirical data suggests that the vast majority of African-American males continue to be in crisis and are not reaching their fullest potential - educationally, socially and emotionally. EMBODI is designed to address these issues through dialogue, and recommendations for change and action.

Our sessions are designed to build character, expand horizons, encourage learning and develop strong African American males. We do this by encouraging public service, exposing the participants to a wide variety of learning opportunities and experiences and providing positive role models for the participants to meet and bond with.

Please complete your application and turn it in by Friday, November 1, 2019 by mail or you may fax it using the information below.
